10) ACCESS

11) CALENDAR

ARTICLE 1 - GENERAL POINTS

The Y/CON Garden Party 2 is organised by **the company MEV EVENT and the Association EVENT YAOI** and will take place on Saturday 24th and Sunday 25th April 2027 at Paris Montreuil Expos, located at 12 Rue de Paris, 93100 Montreuil.

The organizers reserve the right to refuse any application made without having to justify their decision, as well as exclude any exhibitor whose activity does not correspond to the theme of the event or who would prevent the good process of the event. This without being able to ask for any compensation.

ARTICLE 2 - PARTICIPATION

All persons on the booth must be of legal age. Please note that the products on the booth must be **exclusively homo-romantic and/or homo-erotic**. Participation in the event is only effective once the registration form has been duly completed, the requested documents and logo have been duly sent and payment has been received. Options may be added after validation of your participation up to and including 26th March 2027 (date of payment, not of request), with the exception of access to electricity. Applications will be accepted from the day on which registration opens until 14th October 2026, or until the maximum quota is reached. Once this quota has been reached, a limited waiting list will be created. The total price of participation must be paid in full within one month of receipt of the invoice. If this is not the case, the organisers reserve the right to cancel the entry.

The person responsible for the booth marked on the form must personally manage his/her booth and must not assign or sublet all or part of his/her booth to a third party without prior authorisation from the organisers before the event. MEV EVENT and the EVENT YAOI Association encourage the sharing of booths by several entities as long as they are informed. In the event of absence during the event, the person in charge of the booth may appoint a replacement. The booth manager must notify MEV EVENT of this change before 26th March 2027 included.

ARTICLE 3 - CANCELLATION

If the exhibitor wishes to cancel his registration, he must do so by registered letter with acknowledgement of receipt. They will be entitled to a full refund of their payment up to and including 8th January 2027 (date of postal stamp). From 9th January 2027 to 26th February 2027 included (date of postal stamp), the organisers will retain 50% of the payment, including options, as compensation. After this period, due to the costs incurred, no reimbursement will be made. The same applies if the exhibitor is absent at the opening of the event. The organisers reserve the right to dispose of the exhibitor's module, without the exhibitor being able to claim either reimbursement or compensation, even if the booth is allocated to another exhibitor. In the event of cancellation of the event, reimbursement will be made without interest and without any recourse against the organisers. In the event of force majeure leading to the cancellation of the event, no reimbursement will be made and no recourse will be admissible against the organisers. No compensation may be claimed.

ARTICLE 4 - ORGANISATION

Booths will be set up on the afternoon of Friday 23rd April 2027 and dismantling between 6 pm and 8 pm on Sunday 25th April 2027. If you need to leave earlier, please inform the Exhibitor Manager as soon as possible. Exhibitors have to keep their booths clean throughout the convention and leave their spot clean at the end of the convention. Rubbish bags will be provided for this purpose. Wearing a wristband is compulsory and allows exhibitors to move around freely. Tampering with the wristband is strictly forbidden.

We will comply with the conditions applicable to areas open to the public, based on the health measures in force at the time of the event.

It is forbidden to use any electricity other than that provided by the organisers and the exhibition hall (generator, etc.).

It is the booth's responsibility to manage any queues that may form in front of its booth and that may significantly impede traffic in the aisles and/or surrounding booths. In the event that the organisers notice any such obstruction, they reserve the right to disperse the queue without any possible recourse. If the organisers have to manage an exhibitor's queue more than 20 minutes, a fee will be applied of 50 € per staff member per every 20 minutes needed.

ARTICLE 5 - DELIVERIES

No exhibitor or service provider will be allowed to unload or enter before the authorised time. They will be turned away because their parking will disturb the smooth running of the installation and the access of other service providers.

With the exception of goods deliverers only, from 8 am on Friday 23rd April 2027.

We are able to facilitate your deliveries, by taking delivery in the absence of a booth manager. However, this is a favour on our part, and we decline all responsibility for the content of the delivery and its quality of reception. Y/CON teams do not handle goods.

Size of lifts:

Height of access door = 2 m

Width of access door = 1.30 m / Width of lift shaft = 1.50 m

Depth of lift shaft = 2.75 m

ARTICLE 6 - COMMUNICATION

The organizers reserve the right to display on the event's premises (inside and outside). To promote any other events, via posters or prints, you must ask the organizers the authorization to do so before 1st March 2027. Door-to-door sales, peddling and advertising are strictly forbidden. Any derogation to this rule can only be made after written authorization (by letter or email) from the **company MEV EVENT** or payment of a communication and sponsorship option. Exhibitors expressly renounce to any recourse against the organizers for the diffusion, for the needs of the event, of their image, of pictures of their booths, brands, staff, products or services.

ARTICLE 7 - COUNTERFEITING & GENERATIVE AI

According to the different provisions protecting Intellectual Property, **the company MEV EVENT and the Association EVENT YAOI are against the selling of any counterfeited article.**

Y/CON has always supported and respected the work of artists and authors. **The MEV EVENT company and the EVENT YAOI Association are therefore opposed to the use of AI** in the creation and production of works; consequently the sale of works produced and/or made entirely or partly with AI is prohibited at the event. This includes pre-sales that can be recovered at the event, as well as any communication props onsite. Booths using AI on the social networks/websites to promote their content and/or their products could see their applications penalized and risk to lose the opportunity to participate to the event, either temporarily or definitely.

As a reminder, since 2nd August 2026, European directives (AI act) force companies to label AI-generated content by applying a logo, subject to penalties going to 15 million euros, or up to 3% of the annual turnover worldwide, by taking into account the proportionality of small and middle-sized companies.

If the organizers still have doubts about the use of AI on products or illustrations, they reserve the right to not go ahead with the application.

Following requests from the French and Chinese rights holders and the author Mo Xiang Tong Xiu, fanworks based on the licences Heaven's Official Blessing, Mo Dao Zu Shi and The Scum Villain's Self-Saving System are not permitted at the convention.

ARTICLE 8 - INSURANCE AND DAMAGING

The company MEV EVENT and the Association EVENT YAOI accept no responsibility in case of accident, loss, damages or theft concerning the goods of the exhibitor or his own safety during the whole event (setting, open hours to the public, disassembling), as well as any damages they might cause to a third party. The exhibitor must have a liability insurance for himself and the other members of his booth, as well as insurance for his equipment, during the whole event (setting and disassembling times included).

ARTICLE 9 - SOUNDS AND NOISE DISTURBANCE

Broadcasting music on your booth is strictly forbidden.

If you have any devices producing noise, please inform us before the event or be subject to violation of the terms and conditions. Your booth placement will be accordingly attributed.

ARTICLE 10 - TOBACCO CONSUMPTION AND SMOKE

It is strictly forbidden to smoke and vape within the event's premises as well as using aerosols. It is also forbidden to make any smoke inside the premises, because of the fire alarms. Your decorations must be in certified fireproof materials.

ARTICLE 11 - MINORS PROTECTION

The event is forbidden to minors under 14 years old.

We remind you that as compliance to the laws concerning the protection of minors, any explicit content, either sexual or violent, must be marked as so and cannot be left to free consultation by minors. It is your responsibility to insure that people who buy or see this explicit content have the legal age to do so. Please note that we do not demand that you produce or sell only censored material, but simply to not exhibit those elements which can hurt the sensibility of the youngest visitors. You can occasionally censor explicit content (with well-placed post-its, tracing paper to blur, etc), put your explicit content in folders, etc.

The company MEV EVENT and the Event Yaoi consider female and male nipples as equals: they do not need to be censored.

ARTICLE 12 - DISPUTE

Any violation to these general terms & conditions may entail immediate closure of the booth and legal proceedings.

ARTICLE 13 - FRENCH LAW

We remind you that French Law applies in all circumstances. Therefore, anything that doesn't comply with French law is forbidden during the event.
